EDUCATION FOUNDATION OF NIAGARA (EFN) Supports Eden Breakfast Club and English Department

Ontario English curriculum requires students to understand media as well as create it. Thanks to EFN and the Eden School Council for their generous grants which have given our students the opportunity to create media using cutting edge, high quality equipment. In the Fall, the Eden School Council granted us \$2 500 toward the purchase of a Mac computer, a video camera and a colour printer. In the Spring, the EFN (Educational Foundation of Niagara) granted the English and Arts departments \$2 500 toward the purchase of camcorders.
